Spurwechsel Bike Tours and Bike Rental

If you want to discover Munich off the beaten track, the bike tours of „Spurwechsel“ are the real thing! You will see interesting and hidden places like “Dodger’s Alley” and the famous “Eisbach Surfers”, you will ride along the beautiful river Isar and explore “Englischer Garten”, Munich’s huge park. Spurwechsel bike tours are exciting but not exhausting – there will be enough time for a relaxing break in a typical beer garden and enjoy a Bavarian beer or shandy.

Spurwechsel organizes bike tours for groups from 8 to 80 persons at any desired time. Individual travelers can also rent bikes from the bike rental shop, located close to “Deutsches Museum”.
